

Dear Rhino Parents and Friends,
Grab your darts and leave the kids at home! Join your fellow Carnegie Vanguard parents/guardians at our Spring social and auction:

Crash Bash
Sunday, April 30
5:30pm - 8:30pm
Flight Club
3515 W Dallas St. Suite 100

Crash Bash is a critical fundraising source for the CVHS PTO. Funds raised directly impact teachers, students, classroom and technology support, curriculum enrichment, staff appreciation, and facility enhancements.

Here are a few ways to support **Crash Bash**:

- Buy tickets to the event. The night will include dinner, darts, one drink ticket, auction, and community!
- Underwrite the event. By underwriting an element of the event more of the dollars raised goes back to CVHS to assist with programs and enhancements.
- Donate an Auction item. Do you have tickets to the theater or sporting events? Frequent local businesses that will donate a gift card? Be creative! Every item donated helps make a successful event!

Scan the QR code below to contribute! In return for your generous contribution, we will market you as a donor in print and vocal announcements during the night as well as in all pre and post-night publicity and media recognition.

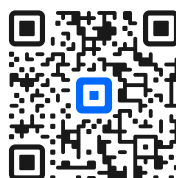

If you have any questions or would like us to pickup your donated auction item(s), please contact our **Crash Bash** Chair, Alison Moorhead, at 713.206.5453.

We thank you for your consideration!
